

Mission

- To make it happen;
- To go home safe;
- To have happy clients, and staff
- To build a big stable/sustainable business where workers and owners all make money

Vision

To be top of mind and professional, to have highly trained, motivated and loyal staff

Values - not negotiable

- Safety - For all staff to go home injury free, the same way they came to work
- Integrity & Proficiency - Deliver quality work in a timely manner
- Commerciality - Competitive pricing where owners and staff make money
- Communication - Make it clear and make it understood
- Happy - We enjoy what we do and do what we enjoy
- Teamwork - Work together as one big team

In adopting the above missions, visions and values it is our intention to annually review.
